## FREQUENTLY ASKED QUESTIONS

#### Who will be teaching my child?

Our instructors grew up in our program and have years of experience working together. They all know the teaching program, play at a high level and enjoy working with young people.

#### How do we teach the Tiny Tots?

This is one of our most popular programs open to children 4 and up. Tots learn basic tennis coordinating skills and have great fun doing it. Please contact us before you sign up 4 and 5 year olds for camp.

#### How are campers grouped?

The first hour on Monday morning is spent testing the campers. We then place each camper in a group according to ability level. Placement is flexible: campers can move up to higher levels as ability grows.

#### What is an average day?

Every morning instruction starts with the stroke of the day. Campers practice this highlighted area along with a fun-filled yet informative manner. In the afternoon, our players are coached on both singles and doubles technique and strategy. Our players receive extra instruction and play skill-building activities. Campers will also have an option for swimming or playing on our indoor air-conditioned courts.

#### Are you ever rained out?

No! The indoor courts will be used so campers never miss a day.
